

## RELEASE OF LIABILITY

In consideration of the opportunity to participate in the Chicago Police Department/Cellular Partnership program, I hereby release and hold harmless the City of Chicago, its agents, representatives, and/or employees from any liability which may arise in connection with participation in the partnership program and usage of the cellular telephones including but not limited to potential liability from accidents, injuries, or death resulting from equipment provided by the City of Chicago, its departments, agents, or employees in connection with the Cellular One Partnership Program and its activities. I understand that there may be certain risks and exposures to situations potentially capable of causing accidental injury which I am willing to accept in order to participate in the program.

This release shall apply to any such injury, accident or liability, whether or not there is negligence on the part of the City of Chicago, its officers, agents or employees. This release shall further apply to any claim for contribution that I may have or assert against the City of Chicago, its officers, agents or employees arising from any such injury, accident or potential liability.

I further understand the City of Chicago, its agents, representatives and employees are not responsible for determining whether any particular activity is suitable for me. I will make that determination.

I declare that I have read the Notice to Program Participants and have read the Release of Liability. I fully understand the terms of this release and I voluntarily accept these terms.
