

TASER NON-FIELD DEPLOYMENT REPORT
CHICAGO POLICE DEPARTMENT

This report will be used to document all non-field deployments of a taser device. The non-field deployment of a taser is any test of the device, in order to ascertain the device's battery or other function when the member pulls the trigger of the device while it is not loaded with a cartridge, at a time other than the time of issuance.

MEMBER'S NAME (Last, First, M.I.)		RANK	STAR NO.	EMPLOYEE NO.
MEMBER'S UNIT	TASER SERIAL NO.		UNIT TASER ASSIGNED TO	
DATE OF NON-FIELD DEPLOYMENT		TIME OF ACTUAL NON-FIELD DEPLOYMENT		
		FROM	HOURS TO	HOURS
LIST ADDRESS OF NON-FIELD DEPLOYMENT. INCLUDE APARTMENT OR ROOM NUMBER, IF APPLICABLE.				
SIGNATURE OF STATION SUPERVISOR/DISTRICT OF OCCURRENCE		STAR NO.	EMPLOYEE NO.	

The station supervisor in the district of occurrence will verify by signing in the appropriate space. If the taser is assigned to the district of occurrence, the station supervisor will ensure that the report is retained in the specific taser device file. If not, the station supervisor will return the report to the member and the member will submit it to the station supervisor or unit commanding officer in the district/unit taser is assigned to, who will ensure that the report is maintained in the specific taser device file.
